Estimated Implementation Date:

4. Code assignments held in excess of 18 months without implementation must be returned to this Administrator for reassignment. Unless this office is specifically notified of the actual implementation of assignments, it will be assumed that those implementations did not occur and such assignments will be available for reassignment. I have read and understand these conditions.

☒ Yes

☐ No

5. I am aware that all ISPC assignments are provisional and that nobody has a property right in a ISPC. I am aware that the Commision may take an assigned ISPC and reassign it to another person.

Yes

No

6. I am aware that once a carrier has been granted its signalling point code, it must file annual International Traffic Data Reports (Section 43.61), which are due only July 31 each year, and the annual Circuit Status Reports (Section 43.82), whcih are due on March 31 each year. Unless a carrier that has been granted a point code has notified this office that is has nothing to report, its failure to file either of these reports will be interpreted as inactive operation and could, therefore, result in the loss of the carrier's point code assignment.
